DETAILED ACTION

Allowable Subject Matter

1. Claims 1-7 allowed.
2. The following is an examiner's statement of reasons for allowance: The prior art of record, taken alone or in combination, fails to teach or disclose in light of the specifications, an alignment sensor comprising means for generating interferometric first and second images of a symmetrical alignment mark having a center, the first and second images being rotated with respect to each other; means for analyzing output signals from the first and second means for detecting to determine a location of the center of the alignment mark.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
